EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Page 1, paragraph [0001}, line 2, after "March 29, 2003," the phrase "now U.S. Patent No. 6,989,183," has been inserted.

The drawings filed April 2, 2004 are approved.

The following is an examiner's statement of reasons for allowance: The closest prior art of record Behnen, discloses making a business form having removable integrated card by first laminating backing layer, liner layer and base layer together before die cutting card portion through the backing layer and liner layer and die cutting cards through liner layer and base layer. The prior art of record does not disclose or suggest forming a pre-cut laminate of backing layer and liner layer having an integrated removable card portion cut through the backing layer and supported by the liner layer using a first apparatus and transferring the pre-cut laminate to a second or different apparatus for securing a base layer to the pre-cut laminate and forming a die cut through the base and liner layers of the business form, as claimed in Claims 1 and 18, or positioning a cut-out extending through the base, liner and backing layers adjacent the periphery
